

My commitment to you

With all my clients, I am personable and conscientious of the project surroundings, client's lifestyle and privacy. I do all work personally unless I require someone to assist me on large projects. I will always be forth coming with you should I need to hire extra help.

As an experienced contractor and business man, I maintain the appropriate Insurance, certifications & licenses for my business.

My fees are competitive – you can pay an hourly rate plus materials (there is a 2 hr minimum on service calls) or by written cost estimate.

Call me today at (815)-985-0310 for a cost estimate on your project.

Sincerely,

Shawn Warren

Who we are...

I would like to introduce a new company to you with 30 plus years of experience in the remodeling, renovation and repair industry, *Freedom Builders & Remodelers*.

As the owner and operator of *Freedom Builders & Remodelers* I am a skilled

finish carpenter and thoroughly proficient at electrical, plumbing, framing, flooring, tile, masonry, siding & roofing. Everything you need to get your project done. Or you may have a remodeling project or repair in which you would like an experienced second opinion or consultation.

I am happy to assist you to create the living space you have dreamed of, or take care of those repairs that can make life difficult.

Shawn Warren
